UNIVERSITÀ
DI SIENA
1240

Università degli Studi di Siena (UNISI) is the scientific coordinator of Erasmus+ Project T.E.S.T.

Its team has an expertise in teaching innovation and is involved in all the activities for faculty development of the Teaching & Learning Center of Unisi.

As lead partner, Unisi is in charge of the scientific coordination and of the project management, with the aim of monitoring the efficiency of scientific and technical progress, of ensuring the involvement of everyone in the decision-making and implementation processes to achieve the expected results.

The team is composed by Prof. Alessandra Romano, scientific coordinator of Project T.E.S.T, Prof. Loretta Fabbri, Prof. Claudio Melacarne, and by Dr. Rubina Petruccioli, Dr. Sara Rossi, Dr. Erina Guraziu, project manager, Dr. Alessandro Puglisi e and Dr. Francesca Bulletti.
