UNIVERSITY OF
PATRAS
ΠΑΝΕΠΙΣΤΗΜΙΟ ΠΑΤΡΩΝ

University of Patras (UPatras) has a specific strategy for the development of e-learning infrastructures and platforms.

The team have extensive teaching experience in training and educating pre-service and in-service teachers on the use of ICT in education, innovative practices in education and e-learning.

The research interests of all team members are in accordance with active methodologies in the field of teaching and learning and their experience in the implementation of appropriate tools, methods and approaches can support the project objectives.

The members of the research team, Prof. Anthi Karatrantou and Prof. Christos Panagiotakopoulos, are part of the Computers & Educational Technology Laboratory (CETL) of the Department of Education and Social Work.
