The **Faculty of Electrical Engineering and Computing** (**FER**) at the University of Zagreb (UniZG) is the largest technical faculty and leading educational and R&I institution in the fields of electrical engineering, information and communication technology, and computing in the Republic of Croatia.

UniZG-FER coordinates the network of trainers and multilevel testing actions for delivery of the training program.

UniZG-FER is also involved in the preparation of "Training of trainers for Adaptive teaching" analysis, preparation of Open Education Resources for role empowerment and learning by e-doing, development of the Adaptive Teacher Toolbox, organization of multiplier events, and various dissemination activities.

The staff involved in the Project T.E.S.T. consists of Dr. Tomislav Jagušt and Dr. Jasna Matijević.
