EFMD plays a central role in defining a global approach to higher and management education, and is an expert organisation for quality assurance in digital learning environments.

The EFMD, on the strength of an international network of quality assurance expertise, will carry out quality control actions and continuous monitoring of the project's progress, coordinate the dissemination activities of the project and ensure quality control to guarantee the conformity of the results achieved with the planned objectives.

The Team involved in the Project T.E.S.T. is composed of Dr. Christophe Terrasse and MSc. Jean-Baptiste Maillard.
